

Ingatestone Infant School

British Values Statement

At Ingatestone Infant School every effort is made to ensure the organisation's ethos promotes the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance for those with different faiths and beliefs; and encourage students to respect other people, with particular regard to the protected characteristics set out in the Equality Act 2010 and accompanying guidance. The Governing Body should ensure that this ethos is reflected and implemented effectively in school policy and practice and that there are effective risk assessments in place to safeguard and promote students' welfare. British values are woven through the curriculum and the spiritual, moral, social and cultural development of pupils also includes references to promoting British values.
